

Working Together for Public Health!

Southern Health Association

Southern Health Association (SHA) is a regional organization representing eight southern states and approximately 6,000 persons interested in public health.

MISSION:

To serve as the regional advocate for public health and for the development and growth of its leadership.

Visit our website at www.southernhealth.net

SHA provides opportunities to:

- Network with colleagues from neighboring states and discuss health related efforts and projects.
- Learn of legislative trends which affect public health.
- Attend other State Public Health Association meetings to learn what problems are being faced and to share successes from your home state.
- Be a part of an organization that has consistently produced strong leaders.
- Meet new people and establish new friendships.
